

Humboldt Yacht Club

P.O. Box 445
Eureka, CA. 95502

Since 1938, the Humboldt Yacht Club has actively promoted recreational boating on Humboldt Bay and surrounding waters. We have a full calendar of events for dinghies, keelboats, offshore and in-bay racing, as well as many social events during the year. Most of all, we provide sailors and other recreational boaters with a community of fellow enthusiasts.

Themed potluck dinners and general meetings are held at 7 pm on the first Tuesday of each month, except January and September. We meet in the Great Room of the Eureka Municipal Marina's Wharfinger Building at One Marina Way, Eureka. Board meetings are held at 7 pm in our clubroom on the second Tuesday of each month, and are open to all club members.
